

Global Innovation Internship Project, GIIP

Hosted by Fudan University, Autumn Intake 2021

(GIIP PROGRAM)

ABOUT CHINESE TESTING INTERNATIONAL, CTI

Since its establishment in the early 21st century, the Chinese Testing International aims to improve the understanding of Chinese language and culture among people all over the world; to develop friendly relations between China and foreign countries; to promote multiculturalism and to contribute to the creation of a harmonious world.

Chinese Testing International, as a service company for Chinese language examination, has always been committed to the promotion of HSK on a global scale. With sincerity, it provides professional, informative and efficient services covering examination research, development, organization, implementation, market promotion as well as international exchanges and cooperation for people all over the world. Nearly 1,200 Test Centers have been established in more than 120 countries around the world.

ABOUT INTERNATIONAL CULTURAL EXCHANGE SCHOOL, ICES, FUDAN UNIV.

International Cultural Exchange School, ICES, is the specialized institution providing Chinese language and culture education for international students in Fudan University and dedicated in promoting multicultural communication. ICES has a proud history of more than 50 years of excellent international education since 1960's. ICES has a remarkable faculty with various academic background ranging from literature, linguistics, culture study, history, philosophy to economy, management and international relations. ICES is home of 7 Confucius Institutes around the world and is appointed to be one of the first four bases of Teaching Chinese to Speakers of Other Languages in China. ICES accepts international students for long term and short term language programs, general advanced and other tailor-made programs. ICES also provides degree programs for undergraduates majoring in Chinese Language & Culture and Business Chinese, and for Master candidates majoring in Teaching Chinese to Speakers of Other Languages. More than 3000 international students from over 100 countries study with ICES's "mini United Union" every year. Join ICES is an opportunity to get to know Chinese language, experience the culture and be part of Shanghai life. ICES programs will help you achieve multicultural understanding, establish a global vision, and get connected with peers from around the world.

I SEE SHANGHAI in ICES.

GIIP PROGRAM OVERVIEW

GIIP is initiated and fully supported and recognised by Chinese Testing International, the official state organization for worldwide Chinese language examinations. It aims to enable international students to master certain Chinese skills in a short period of time through language learning, cultural visits and business practices; to learn more about international business operations in the context of China's economy and business culture; to experience the Chinese market environment as well as to improve their ability in business practices in the Chinese working environment. At the same time, it will also help Chinese enterprises to effectively perceive and serve the talent team in the international market, enhance the mutual understanding of multiculturalism between the two sides, and expand their international perspective.

IMPROVE CHINESE in REAL COMPANIES,

EXPERIENCE REAL COMPANIES in CHINA.

The internship time slot will be fit in based on the final course schedule. Mini Seminar, Mobile classroom and internship placement will be provided by CTI and International Student Integration Service Station.

Business Practice

Adhering to the concept of LEARNING BY DONG, GIIP Students will be divided into small groups and go to real companies and organizations to put their knowledge of Chinese language and business into practice through working with some leading companies and organizations in various fields. Internship companies may be available in Insurance, Banking, Consulting, Capital management, Publishing, Auto industry, Logistics, NGOs, News and Media, Stocks and securities, Trading companies, Hospitality industry, Manufacturing industry, IT Company, Service industry etc. The internship placement is a free service it will try to match the background and interest of applicants but could not guarantee to satisfy all various needs. Applicants shall follow the final internship placement of program or applicants can do internship with their own internship placement if applicants have already had or can find internship arrangements they prefer better by themselves. The host companies shall be verified by school.

ABOUT CHINESE PROFICIENCY TEST

Chinese Proficiency Test, HSK is national examinations held by Chinese Test International (CTI), which are widely recognized internationally. ICES is official test center for both tests. Students in ICES can apply and take the tests almost every 2-3 months conveniently when they feel ready without leaving the school. ICES holds HSK tests several times in a year, for detailed schedule please call +86-21-65642256

EXTRACURRICULUM & ACTIVITIES

In addition to the regular curriculum, Fudan University and ICES have nearly a hundred students' societies and set up numerous events and activities for students to take part in, enriching their experience and allowing them to better understand Chinese culture, the people and the society.

TEACHING ENVIRONMENT

ICES is located in the center of Handan Campus with beautiful environment and convenient transportation. The Campus is located comfortably beside Wujiaochang, the north Shanghai's booming commercial center. All the classrooms are equipped with multimedia system which makes the teaching interactive. The Reading Room is perfect for students' self-study.
